

Become an affiliate and earn 5% commission on all payments for a year

Monetise your community content and secure affiliate commissions

Businesses, influencers, consultants, and anyone else within the tech space can become an affiliate and earn by promoting our distributed cloud platform. Sign up for the Cudo Compute affiliate program – instant access and free to join!

Get started in **three simple steps** – no further approval required

1

Join the programme

Sign up for the programme, get your unique affiliate link instantly, and you are ready to go.

2

Promote Cudo Compute

Place your affiliate links in relative content pieces on any preferred media platform.

3

Get rewarded

Get rewarded for every paying customer who signs up for the platform with your affiliate link.

Make the most of your **expertise** in the tech sector

Benefit from your influence in the tech space

Monetise your influence in AI/ML, blockchain, VFX rendering, data science, software development, or any other industries that rely on HPC.

Discover new revenue streams

Promote our distributed cloud platform through your content and earn generous commissions for every sale made through unique affiliate links.

Get reliable support along the way

Access promotional assets, tutorials, documentation and other helpful resources. Our team will have your back to build a successful, long-lasting partnership.

Become an affiliate

With the rise of AI and HPC demand, and ongoing GPU supply-chain issues, you can recommend a highly-effective and sustainable cloud solution to your community and build a pipeline of passive income.
